

# Flamenco Show

## Description

Spain's most iconic art form, the music and dance of Flamenco. From its Andalusian Gypsy beginnings mixed with Christian and Arabic influences to its current form, flamenco is a spectacle not to be missed. We organise a live show with our professional dancers and musician, who between them, have been living Flamenco for almost a century.

A live show of a mix of traditional Flamenco styles. Unlike most Flamenco shows, we encourage our artists to let it come from the heart, no two shows are ever the same! You'll also be given a little of the background of Flamenco and a short question/ answer session with the artists. The show will last around an hour and includes 1 drink of either sangria or a soft drink.
